

FLOOD ALERT LIST FOR BUSINESSES

Is it safe for you to remain in your property?

Consult Business Continuity Plan (if have one)

Keep Flood Action Pack to hand

Switch off lower electrical points (if it's safe to do so)

Move valuables and paper documents to a higher level. Confidential documents to secure storage

Contact utility provider(s). Ask to be isolated

Contact necessary person should security be a point of concern

If timely, remove perishable items to alternate suitable location

If you have a safety or health EMERGENCY dial 999

DO NOT touch electrical outlets or equipment if wet

DO NOT drive through or walk into deep flood water. If stuck - dial 999

LEAVE area - IF SAFE!

Do not return until advised safe to do so
